September 2013 –
Present

BOB STINSON, PSY.D., INCORPORATED

(Board-Certified Forensic Psychologist's Private Practice)

Forensic Psychologist

Westerville, Ohio

Evaluate defendants and prepare court reports/testimony in cases involving competency to proceed, mental status at the time of the offense (MSO/Sanity), death penalty mitigation and clemency cases, civil tort claims, fitness for duty, psychoeducational, and other psycholegal issues.

August 2012 –
August 2013

FEDERAL MEDICAL CENTER, ROCHESTER, MINNESOTA

(Federal Bureau of Prisons, APA-Accredited Internship)

Pre-Doctoral Psychology Intern

Rochester, Minnesota

Completed Forensic Assessment, General Population, and Inpatient/Severe and Persistent Mental Illness (SPMI) rotations.

Conducted daily evaluations of inmates in a high-security, locked housing unit as well as monthly reviews of general population inmates housed in Segregation.

Provided drug abuse rehabilitation therapy to inmates in a group format, as well as brief and long-term individual therapy to a caseload of general population inmates. Facilitated a "Managing Co-occurring Disorders" process group with inmates in general and SPMI populations.

Conducted suicide risk assessments with patients at increased risk for suicide and self-injurious behaviors. Made recommendations to decrease the risk level of these patients.

Completed risk assessment reports to determine whether inmates continued to meet criteria for involuntary commitment. Conducted intake evaluations as well as intellectual, personality, neuropsychological, and malingering assessments for patients with severe mental illness and general population inmates.

Developed and implemented treatment plans/behavioral modification plans for inmates with mild to severe mental illness, personality disorders, intellectual disabilities, and behavior problems.

Participated in weekly didactic seminars on mental health case law and general issues pertaining to forensic psychology as well as Psychiatry/Psychology Grand Rounds at The Mayo Clinic. Attended daily staff, treatment team, and risk assessment panel meetings.

Completed evaluations and wrote clinical reports for the federal courts regarding competency to stand trial, criminal responsibility, violence risk assessment, and civil commitment issues in a federal prison setting. Observed experts testify in federal court and discussed testimony strategies.

August 2009 –
August 2012

BOB STINSON, PSY.D., INCORPORATED
(Board-Certified Forensic Psychologist's Private Practice)
Psychology Assistant
Westerville, Ohio

Assisted forensic psychologist with evaluations and court report writing in preparation for testimony in competency, sanity, death penalty mitigation, and clemency cases.
